### **U12 Coach Training**

TIME: 9:00 am – 3:00 pm,

Location: Don Juan Avila School (lunch will be provided)

The AYSO U12 Coach training course qualifies individuals to earn their U12 Coach certificate upon completion. This course will satisfy the necessary pre-requisite to attend the Intermediate Coach training course for those moving up to coach a U14 team.

Training must be a key value in our volunteer organization. The AYSO U12 Coach course provides age appropriate techniques and tactical knowledge needed by U12 players. This course is open to AYSO coaching volunteers that are interested in gaining knowledge of the game and developing coaching techniques to be able to share this knowledge with our youth players.

This clinic is conducted in a classroom and field environment. Bring notebook, pen, water, sunscreen, and hat. Appropriate clothing and footwear to allow for participation in field sessions is highly recommended. Plan on participating!
